## March 2 - Trump Cuts US/Ukraine Spending While Sending \$4 B to Israhell

March 2, 2025

*(Courtesy Robert Malone MD)*

**The headline says it all. Everything done on behalf of America is really done on behalf of Israel.**

**Trump is an imposter and a traitor.**

**Organized Jewry (Biden-Trump) have implicated the US in war crimes worthy of Hitler.**

Petrova--"Zelensky was asked to leave without signing the deal. The White House reportedly refused to pay for the Ukrainian delegation's hotel, food, and transportation expenses. After years of finding common ground with US top officials, how could Zelensky (and his delegation, including Ukraine's Ambassador to the US Markova) so dramatically misread the room? Was the confrontation intentional by either side, both or neither?

As we were distracted by the heated exchange between Trump and Zelensky, two far more consequential events received little to no attention this week.

**First**, the release of the Epstein files was an utter train wreck as heavily redacted 120 pages of documents were distributed to a hand-picked group of trusted influencers, who, after joyfully exiting the West Wing, took the time to pose with the binders in front of the White House and then proceeded to post clearly coordinated messages on social media.

**Second**, the United States approved three arms packages worth \$4 billion to Israel. The announcement came a day before the first phase of the Gaza ceasefire and the hostage exchange deal were set to expire. The White House claimed that the arms sale was an emergency, bypassing congressional oversight. Earlier this week, the Trump White House repealed a Biden-era national security memo that required countries to receive US weapons not to violate international law or block humanitarian aid."

Free Syria. In a shocking statement, HTS leadership has effectively defended Israel's actions in Syria, issuing directives that forbid any confrontation with Israeli forces in the occupied regions of Daraa, Quneitra, and Sweida. The decree explicitly warns that anyone who resists Israeli military actions in these areas will face imprisonment.

This directive does not stop at banning resistance. It also prohibits any expression of solidarity with Palestine, including:

- ✓ Raising the Palestinian flag
- ✓ Displaying images of Palestinian leaders or martyrs
- ✓ Speaking against Israel in public or on social media

The statement further orders government buildings to be evacuated in the event of an Israeli military presence, effectively surrendering Syrian land without resistance.

### HTS and Israel: A Convenient Alliance?

While HTS claims to be the vanguard of "resistance" and an alternative to the Syrian state, its actions align more with Israeli interests than with the Palestinian cause. This raises serious questions:

Where is HTS's so-called commitment to defending Palestine?

Why are Palestinian flags banned while Israeli forces move freely?

How can HTS maintain its image of “jihad” while actively collaborating with the Zionist state?

### A Manufactured Illusion of Resistance

HTS and its propaganda outlets continuously push the narrative that they are a "progressive alternative" for Syria, yet their policies align with Western-backed interests rather than true independence or sovereignty.

The reality is clear:

- ▼ HTS militants who once claimed to fight “tyranny” now criminalize resistance against Israeli occupation.
- ▼ Palestinian solidarity is outlawed, while Israel is granted unchecked authority over Syrian lands.
- ▼ This is not resistance—this is submission under the guise of governance.

So, while HTS markets itself as an Islamic force, its collaboration with Israel exposes its hypocrisy. Meanwhile, the Palestinian people continue to fight alone, abandoned by those who claim to be their allies.

The Trump administration is considering pausing all military aid to Ukraine, a senior White House official told the Washington Post on Friday. The anonymous officials said that the pending decision would halt billions of dollars of radars, vehicles, ammunition, and missiles awaiting shipment to Ukraine. Zelensky had come to Washington to sign a controversial critical minerals deal, wherein Ukraine would open up its vast mineral wealth to the United States. Still, it did not include American security guarantees, a disappointment for Ukraine.

**"Hellstorm": Thomas Goodrich on WWII Anti-German Holocaust**

**Thomas Goodrich, author of *Hellstorm: The Death of Nazi Germany, 1944--1947*, argues that the REAL "holocaust" of World War II was not the Nazi killing of 6 million Jews, but the deliberate and militarily useless Allied mass murder of millions German and Japanese civilians by firebombing; the murder of more than a million German POWs who were either slaughtered by the "take no prisoners" Allies or deliberately starved to death; the Morgenthau plan to kill tens of millions of Germans (which was partially implemented, then withdrawn); and the mass rape (often followed by the murder) of millions of German women by Russian and, yes, American soldiers. (That's why your great-uncle or grandpa would never talk about the war.)**

Maybe it's time to convert Holocaust museums to "Anti-German Holocaust" museums?

Jennifer--"My father was second generation American of German heritage and I was born in America in the 1960s. When I visited my relatives in Germany, in about 1999, they told me about the war and the trauma was still there. They told me about the mass gang rapes of the German women-- young, old, every one of them --they sought to destroy the entire nation's population via rape to crush their souls. They said, my female relatives had hidden in haystacks to avoid being raped.

My brother, lives in Munich, Germany (under the right to return). He told me on many buildings, including his apartment building, there are government plaques with some statement about how they honor the Jewish Holocaust etc....

The book, first reported on by Gawker, includes Trump's wife Melania, his longtime personal assistant Norma

## Covid Response at Five Years: Lockdowns. The Quiet Coup

<https://brownstone.org/articles/covid-response-at-five-years-the-quiet-coup/>

"Restricting citizens' ability to travel is a hallmark of a police state," legal scholar Eugene Kontorovich asserted in 2021. "Infectious disease will always be with us. It cannot become an excuse to give the federal government carte blanche to control the lives of citizens." Yet the American government pursued that carte blanche in blatant disregard of the country's long-standing right to travel. Executive orders put citizens under house arrest as the disease became the pretext for usurping the most basic human liberty. Governors boasted of jailing their residents for strolling outside, the Intelligence Community imposed arbitrary dictates on who could continue work, children sat indoors for months on end, and the elderly died alone.

"From the American Revolution to 2020, pandemics and epidemics affected every major American city without the government overturning the right to travel.

## Makow- My 25 Favorite Movies of All Time (Updated)

Left, [El Infierno](#) and [Herod's Law](#) - two magnificent movies about Mexican drug cartels and politics by Luis Estrada, a genius. El Infierno's original title- *El Narco*.

*Dear Henry,*

*Hope you are doing well. Watched [La-La Land](#) on your [recommendation](#) with my sweetie and we enjoyed it. How about publishing (or republishing) your Top 10 or Top 20 movies that are worth watching. You have great taste in movies. Thanks.*

*cheers, M*

**We need movies that inform, inspire and entertain us. That's art. Now most are [agitprop](#), (Communist i.e. satanist propaganda.) *The Illuminati wish to warp our minds and starve our souls. Cinematic art is dying.***

**I list more than 20 movies that fought this trend and paid the price. Are the people already so degraded that they can't appreciate quality or are these movies being sabotaged?**

*"We have already contrived to possess the minds of the goy communities...[they are] looking through the spectacles we are setting astride their noses." (Protocols of Zion, 12)*

*Updated from 21/12/2016*

**by Henry Makow Ph.D.**

**Movies used to be based** on novels. Now they're based on comic books. Nothing better illustrates the Illuminati goal of infantilizing mankind.

**The people of the world and even their governments will be "as children under-age,"** *The Protocols of Zion* said in 1905. (*Protocol 15*)

Arrested development is just the first step. The Illuminati use TV & the movies to lift us from our mooring in reality into an occult fantasy world. Political and historical truth are suppressed. Instead, the public is fed violence, pornography and the occult, in the guise of horror. Humanity has been inducted into Cabalism, a form of satanism.

As the list below indicates, filmmakers struggle to produce cinematic art. But usually, by some mysterious mechanism, good movies flop making it necessary for artists to sell out to survive.

The Illuminati have succeeded in dumbing us down and corrupting our taste. Many professional critics can no longer recognize quality.

**1. *Boogie Woogie* (2009) Gross \$47,500---- Rotten Tomatoes: critics 36% audience 20%**

*Boogie Woogie* is a brilliant scathing satire of the immoral modern art world in contemporary London. It is based on the book by Danny

Moynihan, whose title is based on "*Victory Boogie-Woogie*", a Piet Mondrian painting.

The film was produced by Eric Eisner and Leonid Rozhetskin, and directed by Duncan Ward. It stars Gillian Anderson, Alan Cumming, Stellan Skarsgaard, Heather Graham, Danny Huston, Amanda Seyfried and Sir Christopher Lee. (Wiki)

This was Amanda Seyfried's debut role. London has never looked so good. Danny Huston, left, is superb as the chortling Jewish art dealer. The film debunks modern art as the perverted cutthroat Cabalist Jewish fraud that it is. Excellent acting and production values. (Warning: sexual content)

## **2. *Ned Kelly* (2003) Gross \$86,000 in US, \$6.5 m worldwide RT critics 56% audience 58%**

*Ned Kelly* is an Australian drama film directed by Gregor Jordan. The film portrays the life of Ned Kelly who formed a gang of Irish Australians in response to social and political persecution. Captures wonderfully the spirit of political revolt. Stars Heath Ledger, Naomi Watts, Geoffrey Rush and Orlando Bloom.

## **3. *Michael Collins* (1996) Gross \$11.5 m (cost \$25m) RT critics 77%; audience 78%**

Written and directed by Neil Jordan. Starring Liam Neeson, Aidan Quinn, Julia Roberts, Stephen Rea & Alan Rickman. This movie about the founder of modern Ireland is a handbook of how an oppressed population can resist effectively. Collins has been emulated by everyone from the Haganah to the Communists.

## **4. *Last Wedding* (2001) box office unknown; RT critics 80% audience 45%**

One of my favorite movies of all time. Seen it six times and enjoyed it more each time.

Set in Vancouver, it is about three friends & their relationships with women. Covers every mistake a man can make. Written and directed by Bruce Sweeney and stars Benjamin Ratner, Molly Parker, Tom Scholte, Frida Betrani, Vince Gale and Nancy Sivak.

**5. *Casino Jack* (2010) Gross \$1m (Cost \$12.5 m) RT 37%; audience 34%**

The story of lobbyist Jack Abramoff. Kevin Spacey leads a brilliant cast that exposes Washington corruption in gripping fashion. This may have failed because Abramoff is Jewish but the film is just as hard on Bible-thumping Congressmen.

**6. *The City of Your Final Destination* (2010) Box Office 1.3 m (budget \$8.3m)**

(See link)

**7. *Wings of the Dove* \$13.7m rt 86%; 75%**

*The Wings of the Dove* is a 1997 drama film directed by Iain Softley and starring Helena Bonham Carter, Linus Roache, and Alison Elliott. The screenplay by Hossein Amini is based on the 1902 novel of the same name by Henry James. The film was nominated for four Academy Awards but got none. (wiki)

This is one of my favorite movies of all time, about the triumph of the Spirit over money; and about the decline of masculinity and femininity.

**8. *Ride With the Devil* (1999) Gross \$635K \$38 million production cost RT 63%/62%**

Directed by Ang Lee. Starring Toby McGuire, Skeet Ulrich, Mark Ruffalo, Jewel.

The premise of *Ride with the Devil* is based on the true story of guerrillas who fought against Union troops under the leadership of William Clarke Quantrill. Lee said it described "young people coming of age in the worst possible time in American history. I liked the theme of self-emancipation." (wiki)

9. **Kangaroo (1987)** Gross \$432K

Director: Tim Burstall; Writers: Evan Jones, D.H. Lawrence (based on his novel) Stars: Colin Friels, Judy Davis and John Walton

A mild-mannered English conscientious objector moves to what he feels will be the relative calm of Australia after World War I, but gets caught in the middle of violent battles between the rising trade unions and fascist groups. (wiki)

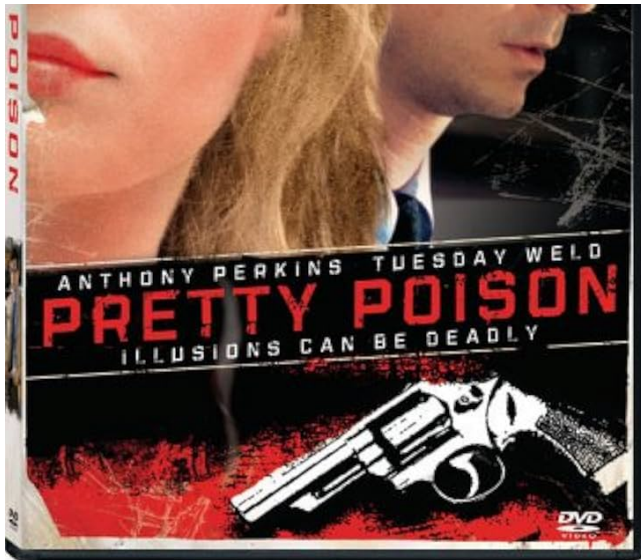

This is a sophisticated study of politics and gender relations, beautifully executed.

10. **High Art \$1.9 m** RT 72%/74%

Lisa Cholodenko's breakthrough movie "*High Art*" (1998) is one of the best written, best directed and best-acted movies I have seen. It presents intimacy, albeit lesbian intimacy, more convincingly than 99.9% of heterosexual movies. Performances by Radha Mitchell, Ally Sheedy, Tammy Grimes and especially Patricia Clarkson are superb. I highly recommend this movie. (Warning: sexual content.)

11. **Pretty Poison** (1968) is a wonderful black comedy that didn't deserve to bomb. It is politically incorrect in being Leftist, but in a delightfully subversive way.

Tuesday Weld and Anthony Perkins are magnificent. Weld plays an all-American beauty, a cheerleader, who is also a murderer.

## Ten More

1. **Black Robe.** One of my all-time favorites. About the Jesuit Mission to Huron Indians centuries ago. Parts are in Huron language with subtitles.

2. [The Fall \(2006\)](#) A very beautiful movie. \$3.6m

3. [Starting Out in the Evening](#) (2007) \$900,000

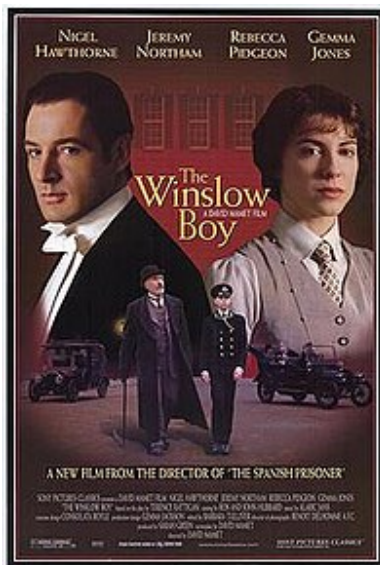

Young feminist tries to compensate for lost life by seducing the subject of her thesis, an elderly novelist. Lauren Ambrose & Frank Langella are excellent in this portrait of modern dysfunction presented as normal.

4. [Tamara Drewe \(2010\)](#) A very entertaining, intelligent British comedy also on Netflix. Bombed in the USA but made \$11.3 million in UK and abroad. About infidelity & star crossed love at a writer's retreat

in Dorset. Some truly inspired scenes. Directed by the veteran Stephen Frears. (Warning- Sexual content.)

5. **In a Savage Land (1999)** - \$350,000 A wonderful Australian movie about an anthropologist couple who study a primitive South Pacific tribe during the 1930's. Real testament to a man's love for a woman.

6. **Love Ranch (2010)** -- \$150,000; Cost \$25 million to make. Great performances by Helen Murren & Joe Pesci. Directed by Taylor Hackford (*Ray*, *Delores Claiborne*) An unlikely love story. Not great art but a solid intelligent movie. Didn't deserve to bomb. Shows critics and audiences are shallow. No wonder Hackford has given up on the public and is now making schlock (*Parker*) See it on Netflix, where these "failures" find a second life.

7. **The Winslow Boy** (1999) Wonderful movie set in England in 1914 about a family that lays everything on the line to defend son's honor. Written and directed by David Mamet from a Terrence Rattigan play (1947). Intelligent. Priceless.

8. **The Informers** (See link for review) Brett Easton Ellis ' chilling portrayal of the moral vacuum that is America.

9. **A Private Function** represents the flowering of British culture now being destroyed.

Hilarious account of Brits trying to evade meat rationing in WW2 by raising their own pig.

## 10. Inside

**Llewlyn Davis.** [My review here.](#) Coen Brother's produce a mixed bag but I found this movie uplifting.

Didn't bomb thanks to the foreign box office. Also, check out [their satirical \*A Serious Man\*](#) about their Jewish upbringing in Minnesota. It begins with a marvelous Yiddish fable which the Coen Brother actually wrote themselves.

**Late additions--**Melissa McCarthy in *Can You Ever Forgive Me* - Brilliant acting from McCarthy and Richard Grant. So realistic! [Nest](#) on Prime I think. Not great but really good. Realist depiction of modern family. Carrie Coon is something else as the wife. Finally- *The Opposite of Sex* on Netflix. Gay Director *Don Roos* has a heightened sense of human relationships. A lot of fun. Christine Ricci and Lisa Kudrow are remarkable. The acting, writing and direction are great.

**Related-** [They Live](#) Must see.

### Kevin Barrett--Trump Is SO Full of Sh\*t

Zelensky smackdown is a big lie. He'll never do that to Bibi!

<https://kevinbarrett.substack.com/p/trump-is-so-full-of-sht>

"The good news is that an American president finally stood up to a Jew who came to pick America's pockets. The bad news is that it wasn't Bibi Netanyahu.

Trump fawns all over Netanyahu, whose genocidal "Jewish state," the whole raison d'etre of which is to murder millions of non-Jews and

expel the survivors, had already pilfered \$1.6 trillion by 2002. That was a year after Israel murdered almost 3,000 Americans in New York, attacked the Pentagon, blamed it on Arabs with boxcutters, and pushed clueless Uncle Sam down the road toward spending another \$8 trillion on wars for Israel.

Compared to the innumerable pounds of flesh that Israel gouges out of the American body politic, Zelensky's depredations are chump change. But Trump and Vance, like almost all US politicians except Thomas Massie, are pussies owned by rich, treasonous, genocidal Jewish billionaires. So they'll pick on a pathetic cokehead penile-piano-playing midget like Zelensky, while kissing the nether regions of ghoulish Netanyahu.

Worse, Trump's charges that the Ukraine war is Zelensky's fault, and America has been generously doling out money to Ukraine (so Zelensky should show some gratitude) are rank, nauseating bullshit. The US took over Ukraine in a coup in 2014 and remote-controlled it into a war designed to bleed Russia to the last Ukrainian. It isn't Ukraine that owes the US money. It's the US that owes Ukraine (and Russia and much of the Middle East) double-digit trillions in war reparations."

## "Hellstorm": Thomas Goodrich on WWII Anti-German Holocaust

<https://kevinbarrett.substack.com/p/hellstorm-thomas-goodrich-on-wwii>

Thomas Goodrich, author of *Hellstorm: The Death of Nazi Germany, 1944--1947*, argues that the REAL "holocaust" of World War II was not the Nazi killing of 6 million (or was it .6 million) Jews, but the deliberate and militarily useless Allied mass murder of millions German and Japanese civilians by firebombing; the murder of more than a million German POWs who were either slaughtered by the "take no prisoners" Allies or deliberately starved to death; the Morgenthau plan to kill tens of millions of Germans (which was partially implemented, then withdrawn); and the mass rape (often followed by the murder) of millions of German women by Russian and, yes, American soldiers. (That's why your great-uncle or grandpa would never talk about the war.)

Maybe it's time to convert Holocaust museums to "Anti-German Holocaust" museums?

## Patrick O'Carroll - Nazi Germany Exploded the First Two Nuclear Bombs

Nazi Germany was close to perfecting nuclear bombs but Patrick O'Carroll believes Hitler had no intention of using them because he was controlled by the Rothschilds.

by Patrick O'Carroll

(henrymakow.com)

**This article discusses the unequivocal evidence** from Rainer Karlsch and, more recently from MIT scientist Todd Rider, that NSDAP Germany had a highly advanced nuclear weapons program, and tested two atomic bombs.

Essentially, there are THREE MAIN REASONS why Adolf Hitler did not deploy Germany's atomic bomb:

1. In early 1945, the NSDAP only had a crude version of its atom bomb. Many experts gauge that it would not have been deliverable until late 1945, at the earliest. For a while, Hitler may well have believed that Germany would soon nuke Zionist epicenters such as NYC, London, Moscow etc. because he was quoted as having stated, "May God forgive me the last five minutes of the war". Nonetheless, some of Hitler's conscientious generals are also quoted as having countered that they would sooner resign than nuke major enemy targets.
2. By far the most likely reason is because all the evidence today given by leading truthers such as Carroll Quigley, Antony Sutton, and Fritz Springmeier tells us that, at the very top, the Zionist NSDAP was working with the western Zionist powers (US, GB, FR) all along. Facts: 30 prominent members of the lofty Committee of 300 aided the NSDAP in 1933-45; 30 "Illuminati" corporations traded with, and were protected by, Hitler in 1933-45, when Onassis did not lose a single ship thanks to protection (collusion) from Hitler; Hitler committed 30 major military "blunders", and hundreds of minor military "blunders", in favor of the Zionist powers.
3. Also, the Western Zionist powers (US, GB, FR) may have credited

the success of the NSDAP nuclear project and decided to give it preferential treatment. After WW2, the Zionist powers (US, GB, RU, FR) acquired most of the NSDAP's research, know-how, as well as hundreds of its leading scientists. It was as if the "Illuminati" tasked the NSDAP with special research, albeit research that it must never actually deploy during wartime.

But it is also certain that the US atom bomb was not ready by Aug 1945 either. Very many researchers have proved conclusively that Hiroshima and Nagasaki were subjected to conventional Napalm-Firebomb strikes. So, although it is certain that Germany was ahead, the live deployment of ANY nukes in WW2 remains highly questionable. A third school-of-thought maintains that nuclear bombs are scientifically impossible and do not exist.

## **GERMANY EXPLODED THE FIRST TWO NUCLEAR BOMBS**

In his book, Rainer Karlsch showed the evidence he had uncovered that NSDAP Germany exploded the first two atom bombs (called "StrahlWaffen") in Rügen, on 11 Oct 1944, and in Ohrdruf, on 4 Mar 1945. So, on the night of 11 Oct 1944, Germany exploded the first atom bomb ("StrahlWaffe") in modern times, on the Baltic island of Rügen. It had been developed mainly at the Peenemünde facility under the direction of Dr Kurt Diebner.

After WW2, the NSDAP was not required to sign the Deed of Surrender which was drawn up by Committee-of-300 member Kenneth Strong, who was a British mil-intel director during WW2. This is fairly conclusive proof that the NSDAP was in fact the Fifth Victorious Power of WW2. In any case, the Committee of 300 gave the NSDAP highly preferential treatment; and that was partly to reward it for its highly successful nuclear weapons program.

Another clear sign the USA and the NSDAP were conjoined was that both used Kabbalist numerology for the first three atomic bombs. Kabbalists use the occult 11 to signify the Tree of Life's ABYSS. The NSDAP honored 11 with the date 11 Oct 1944 ( $4 \times 11 = 44$ ) and Rügen's 55th parallel ( $5 \times 11 = 55$ ); and when the West's Freemasons exploded the THIRD atom bomb in modern times, they chose the Trinity Site on the 33rd parallel ( $3 \times 11 = 33$ ).

## MIT SCIENTIST TODD RIDER ON THE NSDAP'S NUCLEAR WEAPONS PROGRAM

Recently, MIT scientist Todd Rider summarized his research on German nukes in the following talk:

<https://old.bitchute.com/video/TtD2CTXw6TZf/>

Todd's slides show the many eye-opening quotes below, all confirming that NSDAP nukes were indeed a reality:

1. NSDAP Germany had A-Bomb and H-Bomb projects whose designs were similar to those of the USA, although Germany's designs were more advanced.
2. The US Regime and the OSS used the codename "AZUSA" to refer to the NSDAP nuclear program.
3. Still today in 2025, the US and British archives contain many reports about NSDAP Germany's nuclear projects that are still marked "Access Restricted", whereas many other reports have simply vanished. There are many photos showing visits by key Allied leaders to German towns that had nuclear facilities, but all the associated reports are still buried (or disappeared) 80 years after WW2.
4. Todd lists at least 20 German plants that were producing deuterium (heavy water, D<sup>2</sup>O), and also mentions several German plants producing ten other nuclear-related materials.
5. Todd pinpoints a letter that Rainer Karlsch discovered in 2003. It was dated 23 Mar 1945, sent by General Ivan Ilyichev to "Stalin" (Ioseb Dzhugashvili) that described Germany's fission bomb design. It stated: "The Germans have in recent times carried out two large-capacity bomb explosions in Thuringia ... The bomb, supposedly filled with Uranium 235 and weighing approximately two tons, was brought to the test site ... In addition, a massive radioactive effect was observed. The bomb is a sphere of diameter 130 cm". This description matched almost exactly those given by Erich Schumann and Kurt

Diebner in their later books.

6. The following photo shows Hitler visiting Gusen (location of a nuclear fission reactor) near Linz-Austria on 4 April 1943, and it shows him surrounded by four very prominent nuclear scientists: Kurt Diebner, Werner Heisenberg, Fritz Strassmann, and Rolf Wideröe: <https://ibb.co/21f4QKRt>.

7. On 1 Apr 1945, Allen Welsh Dulles (the "Illuminati" overseer of the entire Axis) sent the secret cable "IN 9061" from Bern-Switzerland to the OSS in DC, stating: "In his conversation with [General Field Marshal ("Generalfeldmarschall") Albert] Kesselring, latter said to [SS-Obergruppenführer Karl] Wolff our situation is desperate. Nobody dares tell the truth to the Führer who is surrounded by a small group of advisors who still believe in a last specific secret-weapon which they call 'desperation weapon' ("VerzweiflungsWaffe"). Kesselring believed this weapon can prolong the war but not decide it. But might cause terrible bloodbath on both sides. Kesselring said if Führer gave him order to use weapon, he would surrender his command".

8. For 11 Dec 1944, FDR-confidante Margaret Lynch Suckley's diary entry stated: "the Germans have a bomb that will kill everything within a mile ... the German program to develop that bomb is way ahead of us".

9. In an article dated 13 Aug 1945, "Illuminati" news-rag Newsweek reported: "Since the surrender of the NSDAP armies, Allied officers have revealed that Germany would have been able to strike with atomic bombs by January 1945, if invasion had not come six months before. The highest Allied officials knew that such explosives could have won the war for the Axis".

10. On 1 Sep 1945, General George Catlett Marshall wrote: "German technological advances, such as in the development of atomic explosives, made it imperative that we attack before these terrible weapons could be turned against us".

11. On page 32 of his 1946 book "The Aircraft Manufacturing Industry", Colonel George Bryant Woods (US intelligence, Air Technical Services Command during WW2, and assistant to

undersecretary of the US Air Force in 1947-50) wrote: "Germany's plans for the A-9 [rocket] with atomic bomb ... It was well known that the Germans originally had hoped to have their atomic bomb developments completed by the end of 1944".

12. Two top German scientists interrogated by the Western Zionist powers included SS-Obergruppenführer Hans Kammler, SS general in charge of the NSDAP's nuclear program; and Siegfried Flügge, top physicist of the NSDAP's nuclear program. Todd shows a document dated Nov 1945 describing how Hans Kammler was being interrogated at the time and "singing like a canary", although WickedPedia claims he "died on 9 May 1945". But, the associated interrogation transcripts are not locatable in US or British archives. Todd did discover key index-cards that read "Germany; Nuclear Physics; Blueprints of Atomic Bomb" and "Germany; Nuclear Physics; Atomic Bomb Detonating Plans" but NOT the actual documents cited by said index-cards.

## **CONCLUSION**

Todd's slides show a great deal of explosive evidence of NSDAP collusion with the Western Zionist powers. But this evidence has been mostly buried by "Team Antichrist", which does not want you to know that WW2 was the single most controlled conflict in human history, whose two biggest aims were the German Holocaust of 1914-55 (the genocide of 37 million Ethnic-German Civilians) and the establishment the Antichrist State of Israel in 1948.

At the following link, you can download free-of-charge the 6300-page mega-tome "Forgotten Creators (2024)" by MIT scientist Todd Rider. It describes the extraordinary achievements of German science up until 1945:

# Feb 28 - Trump's Vassalage to Israel Alienates Americans

February 28, 2025

Please send links and comments to [hmakow@gmail.com](mailto:hmakow@gmail.com)

Americans are getting a rare taste of responsible government as enticement to attack Iran. Americans refusing to sacrifice life and lucre for Israel will become the central issue of 2025. Trump and

Netanyahu are members of Chabad, a Jewish supremacist cult dedicated to

exterminating Christians and assimilated Jews using war as a pretext.

Americans are being conned by the greatest Jewish con artist since Adolf Hitler.

And their roles are surprisingly similar: to lead their respective countries to destruction.

"Impossible" Not to See Echoes of Holocaust - YouTube.  
Democracy Now.**

**We speak with U.S. Army Major Harrison Mann, the first military and intelligence officer to publicly resign over the Biden administration's support for Israel's war on Gaza.** Mann left his role at the Defense Intelligence Agency after a 13-year career, saying in a public letter explaining his resignation that "nearly unqualified support for the government of Israel ... has enabled and empowered the killing and starvation of tens of thousands of innocent Palestinians." Mann submitted his resignation on November 1, just over three weeks into Israel's assault on Gaza, but his separation from the military became effective last week. "Even in the first weeks after October 7 ... it was really clear that they were prepared to inflict huge numbers of civilian casualties," Mann tells Democracy Now! "I understood that every day that I was going to go into the office, I was going to be contributing to the Israeli campaign." Mann also explains how his Jewish background impacted his decision to resign, saying that while he was proud to wear the same uniform of soldiers who liberated Nazi concentration camps during World War II, it was "impossible" not to see echoes of the Holocaust in the devastation of Gaza. "Seeing photos of charred bodies and burnt corpses and starved, emaciated children that are from 2023, 2024, not the '40s, it's impossible not to make that connection," says Mann. "The situations are not perfectly analogous, but the moral similarities were very clear to me."

**"After Donald Trump began to pull together his cabinet and inner circle it became pretty clear that the overwhelming tie that bound the group together was its embrace of Israel and everything that it is doing.**

"Congressman Tom Massie of Kentucky has declared that every Republican congressman but himself has among their staffs at least one "minder" (he calls them "babysitters") who is present to monitor and report on how the representative votes in support of Israel. The Israel-first staffer is often an employee of the Lobby, commonly either connected to the American Israel Public Affairs Committee (AIPAC) or with the even more virulent Anti-Defamation League (ADL).

"After the "cleansing of Gaza" the West Bank will clearly be next. Israel has already announced that the approximate 40,000 West Bank Palestinians who have already been driven from their homes in ongoing operation "Iron Wall" will not be allowed to return and new Jewish settlements are planned for the former Palestinian towns and villages. As in Gaza the Israeli onslaught has involved the destruction of roads, homes, schools, churches, hospitals and other infrastructure, and the killing of civilians, including a pregnant woman and several

children.

"The Trump administration may soon throw out a major piece of junk science that has served as the philosophical underpinning for the government wasting hundreds of billions of taxpayer dollars on the climate-change hoax. In essence, they've robbed us blind while claiming to save us from ourselves, and they based it all on a lie.

The Daily Mail reports that EPA Administrator Lee Zeldin is lobbying for the White House to discard the so-called "endangerment finding." This is a 2009 bureaucratic rule theorizing that greenhouse gases, created by burning "fossil fuels," lead to global warming and allegedly pose a threat to public health.

This allegedly scientific finding has served as the justification for government regulations limiting the emission of greenhouse gases since the Obama presidency.

## Cheating in Early Votes is Off the Charts

[Bigger Text](#) | [Default Text](#) | [Smaller Text](#) |

October 31, 2024

Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.

By Mike Stone  
(henrymakow.com)

**Ballots in Wisconsin, Virginia, and other states** have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/>

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

<https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/>

Voting lines in Republican counties have been shut down early:

<https://www.thegatewaypundit.com/2024/10/voter-suppression-bucks-county-emergency-services-shuts-down/>

A Pennsylvania GOP committeewoman was handcuffed and arrested for telling frustrated citizens to stay in line and vote:

<https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-committeewoman-taken-away-handcuffs-encouraging/>

And an ABC news station aired a "test result"

showing Harris winning Pennsylvania by a margin of 52%-47%:

<https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/>

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

[https://www.americanthinker.com/articles/2024/10/does\\_georgia\\_s\\_algorithm\\_create\\_fake\\_voters](https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithm_create_fake_voters)

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We

know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

**Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. <https://x.com/i/web/status/1851356742044491854>**

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

**Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024**

## Reply from Savvy Granny

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

*Remember the French Revolution, [which alone we call 'Great' in some translations]for the secrets of its preparation are well known to us. It was entirely the work of our hands. (Protocols of Sion III.14)*

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

**The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.**

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

Is this behind Ukraine-Russia war?

**destruction.**  
Ukrainians would think they are fighting against expansionist Russia, struggling for independence. Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."

The Khazarian Empire existed for several centuries until Russian Prince Svyatoslav in year 965 took both their City and their White Temple.

**Before you put your faith in Donald Trump, consider this:**  
**He is a Jewish puppet like every other candidate**

He supports Israeli psychopath and terrorist, Bibi Netanyahu.  
He was grand marshal of NYC annual Salute to Israel Parade.  
His organization is filled with Jews in executive positions.  
His daughter Ivanka converted to Judaism (2009) before marrying Jewish media filth, Jared Kushner (owner and publisher of New York Observer).  
His son, Eric married Jewish media filth Lara Yunaska (2014).  
His is very cozy with many Wall Street con men and has even stated that he intends to bring in these Wall Street scumbags if elected president.  
He supported the Jewish Wall Street banking bailout in 2008.  
He's a friend of convicted Jewish pedophile pimp, Jeffrey Epstein.
